

Is it time to retire your older, outdated active microbial air samplers?

Trade-up to the robust newest generation!

Enhancing your Environmental Control program may be easier and more cost effective than you realize.

- ✓ Receive special promotional pricing through December 31st, 2024 when you trade in your older air sampler for a TRIO.BAS™ air sampler.
- ✓ \$750 off for one unit. \$1,000 off for two or more units.

TRIO.BAS™ MONO

TRIO.BAS™ DUO

TRIO.BAS™ AIRBIO DUO

Want to see it in action? Hands-on or virtual demonstrations are available.
