Welcome!

Thomas Scientific is a distributor of laboratory supplies, equipment and chemicals. The products in this catalog represent only a small offering from our extensive catalog and website. We're here to make your purchasing process as simple as possible. For additional models, sizes, packaging, and accessories not shown in our catalogs or if you just need help selecting a product, contact us at 833.544.SHIP (7447) or visit us on the web at ThomasSci.com.

Thomas Scientific accepts VISA, Master Card, American Express and the IMPAC card for government buyers.

POs accepted for registered accounts.

Our Mission

To help science create a better world by providing quality products with personal, timely and efficient service.

*Delivering Quality Scientific Supplies
Worldwide Since 1900*

**Special offers and pricing are valid through
August 31, 2023, unless otherwise noted.**

NOTE: Offers in this catalog are void where prohibited by law or company policy. Shipping charges are not included. Prices and offers are subject to change without notice and are not to be combined with other offers/discounts or contract pricing. Valid in USA only. Dealer/reseller sales not applicable. For web orders, enter the promo code, if applicable, at time of checkout. For phone orders, please supply the promo code to the customer service representative when ordering. Discount pricing shown must be specified when placing order. Returned products will be subject to billing for Free Items at list price. Free items in 'Buy/Get 1 Free' offers will be the item of lowest value unless otherwise noted. Giveaways and free products may be shipped separately. Allow 4-6 weeks for delivery.

Equip your laboratory with . . .
The new **GOLD** standard in laboratory glassware.

Globe Glass™ glassware sets the standard for performance and packaging in the laboratory glassware marketplace. Globe Glass gold standards include:

- Premium raw materials
- ASTM compliant designs
- Precision manufacturing
- GlassGuard™ packaging

The line includes:

- Beakers • Media Bottles • Flasks
- Cylinders • Serological Pipettes

Controlled Environments & Safety

MAKE SURE.
MAKE IT PUREZERO*.

The decision is in your hands.

HALYARD* **PUREZERO*** HG3 Nitrile Cleanroom Gloves are designed specifically for cleanroom use in ISO Class 3 or higher and Grade A/B/C/D cleanrooms:

- clean processed to control low particles, extractables and endotoxin levels
- formulated with an accelerator-free¹ nitrile to reduce the risk of allergies and skin irritation

1 Not formulated with these commonly used vulcanizing chemicals: Sulfur, Thiurams, Thioxoles, Guanidines and Carbamates.
