

CE-Force HydroGrip Shoe Covers

CE-Force HydroGrip disposable shoe covers give you a **foot barrier with excellent anti-skid** properties. They offer a high level of protection for environments such as pharmaceutical manufacturing, GMP sites and animal labs. They are made with a **multilayered fabric coated with BlueMed's advanced anti-skid formula** for a superior grip. They are **waterproof** with a hydrophilic inner layer.

BENEFITS:

- The HydroGrip shoe covers give you **good control on smooth, wet or powdered floors**. They also give you **added protection from wet shoes**, thanks to their inner layer that absorbs liquids. They are **low linting** and fit for clean environments.
- **Versatility and fit**
- These shoe covers are available in **two sizes**: The **Universal** size is made to fit most shoe sizes and the **Extra Large** size is made for big shoes, snow or work boots. They stand out with their rich blue color.
