SWIVEL

SIDETRAK SWIVEL - Attachable Portable Monitor

Your Portable Monitor, Reimagined

Instantly double your laptop screen workspace with this game-changing attachable portable monitor technology! SideTrak Swivel is a Full HD IPS monitor that magnetically attaches to the back of your laptop with a metal plate so you can effortlessly work anywhere with two screens. It is the perfect laptop companion whether you are working from home, in the office, or on-the-go.

Unleash Endless Productivity

Whether you are on a zoom call or working on an important project, two screens allow you to easily reference documents and take notes with more screen real estate.

Productivity That Moves with You

SideTrak Swivel's lightweight, durable, and slim design is built for your life on-the-go! It fits in most work bags so that you can carry it between your home and office.

Swivel 12.5"   **Swivel 14"**   **Swivel 2-Pack**

Find the perfect attachable monitor for your workspace with the 12.5" and 14" SideTrak Swivel! Or take your productivity to the next level with a triple screen laptop setup.
