

SBS Cap Carriers

Available in 24-, 48-, and 96-Format

SBS-format screw cap carriers deliver efficient, automated capping of 24-, 48-, and 96-format sample storage tubes, improving workflow productivity and reducing contamination risks. Designed for both automated and manual applications, these carriers allow batch filling prior to capping, making your processes faster, cleaner, and more reliable.

Key Features

- Suitable for manual processes, or for use with compatible IntelliXcap™ Semi-Automated Handheld M-Series, and IntelliXcap Automated Screw Cap Decapper/Recapper portfolio from Azenta Life Sciences
- Standard 24-, 48-, and 96-format SBS footprint for seamless integration

Improved Process Efficiency

- Enables immediate use of uncapped tubes, and secure closure via automated capping systems
- Reduces contamination risk by eliminating direct cap handling
- Allows batch tube filling before capping for greater throughput
- Available empty or prefilled with low retention caps to minimize sample loss

Ordering Information

Cap Carrier 96-format, SBS footprint, stackable, reusable	
<i>In alignment with our ESG commitments, we now manufacture 96-format Cap Carriers using at least 90% recycled polypropylene, reducing waste and reliance on virgin materials.</i>	
67-63111-10	Cap Carrier 96-format, Internal Thread, with orange caps; 10 carriers/960 caps
67-63111-50	Cap Carrier 96-format, Internal Thread, with orange caps; 50 carriers/4,800 caps
68-53111-10N	Cap Carrier 96-format, External Thread, with orange caps; 10 carriers/960 caps
68-53111-50N	Cap Carrier 96-format, External Thread, with orange caps; 50 carriers/4,800 caps
68-53111-50X	Cap Carrier 96-format, External and Internal Thread, empty; 50 carriers
Cap Carrier 48-format, SBS footprint, stackable, reusable	
66-9952	Cap Carrier 48-format, External Thread, with orange caps; 10 carriers/480 caps
66-9953	Cap Carrier 48-format, empty; 10 carriers
Cap Carrier 24-format, SBS footprint, stackable, reusable	
66-9954	Cap Carrier 24-format, External Thread, with orange caps; 10 carriers/240 caps
66-9955	Cap Carrier 24-format, empty; 10 carriers
