SensiFAST™

Fast, sensitive qPCR – with confidence.

› **Fast results**

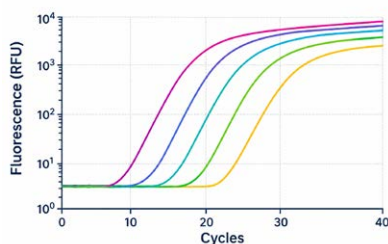

Optimized for rapid qPCR cycling.

› **High sensitivity**

Reliable detection across a broad dynamic range.

› **Consistent performance**

Reproducible results for routine and demanding qPCR applications.

Sensitive detection. Reliable results.

MyTaq™

Fast, robust PCR made simple.

› **Fast amplification**

Designed for rapid PCR protocols.

› **High yield**

Strong amplification across a wide range of templates.

› **Robust performance**

Reliable results, even with challenging samples.

Robust amplification.
Even with challenging samples.
