Subject: Notification of Price Increase - Effective July 1st, 2026

Dear Valued Customer,

Recent geopolitical developments have driven significant cost increases across all major cost drivers, including raw materials, energy, and logistics. Over the past months, Ahlstrom has absorbed these cost increases in full. After careful consideration, we have reached the point where a partial cost pass-through is necessary.

Effective July 1, 2026, we will implement a price increase of 5% on all shipments, shipping on or after this date.

Ahlstrom remains fully committed to providing you with the highest level of innovation, service, and quality. We do not take this decision lightly, and we are grateful for the partnership we have built together.

We truly appreciate your understanding and continued trust in us. If you have any questions or would like to discuss this further, please do not hesitate to reach out to your individual sales representative.

Sincerely,
