

## New Brand Name, Same Great Product

Effective **December 1, 2023** our customers will begin to receive Teknipure products with our new look featuring our three wiping product brands, TekniMax™, TekniClean™ and TekniZorb™. We expect the complete transition to the new brand packaging graphics for the products listed in this notice to continue through 1Q'2024.

### What is Changing?

- New brand included in product name
- New product label look
- Product information is easily seen on all four sides of outer case
- Added barcode makes managing inventory easy
- QRC on outer case and product packaging for easy access to lot certificates

### What Stays the Same?

- Same great product!
- No change in quality or performance
- Same SKU
- Wiper size, package count, packaging features and case quantity remain the same
- No change in lot coding, shelf life, or expiration dates

## Teknipure, LLC is excited to announce the launch of three wiping brands:

### TekniMax™

Our brand reserved for the highest performance wipe materials for use where microcontamination removal is essential to achieving results.

### TekniClean™

The brand you trust for ultra-clean purity in your most critical applications.

### TekniZorb™

The products you depend on for environmental cleaning and general-purpose wiping.
