MICROFLEX® XCEED® XC-310 NEW AND IMPROVED VERSION

WHAT CHANGES SHOULD YOU EXPECT?

GLOVE

SKIN FRIENDLY FORMULATION

Now produced with an accelerator-free formulation to reduce the risk of Type IV allergies

ADDED COMFORT

Now 18% softer for a more comfortable skin feel

ENHANCED DURABILITY

Now 18% stronger for enhanced protection against rips and tears while keeping the same tactility benefits

DISPENSER

The new MICROFLEX® XCEED® XC-310 gloves will feature an updated, cleaner packaging design to better communicate the innovation, quality, and advanced protection that MICROFLEX® represents. A deeper overview of the changes is provided below.

CURRENT

NEW

UPDATES

- 1 New accelerator-free claim on the box: "Low dermatitis potential"
- 2 Glove image has been added
