

## Thermo Scientific TSX Series high performance refrigerators and freezers now on SureStock

### TSX Series auto and manual defrost freezers

Thermo Scientific™ TSX Series high-performance laboratory freezers are designed for products requiring unprecedented sample protection. Utilizing SNAP compliant hydrocarbon refrigerants and our V-Drive technology the TSX Series deliver superior uniformity and stability when the door is opened. Models available today include various sizes of manual defrost, auto defrost and flammable material storage freezer configurations.

### TSX Series biomedical and pharmacy refrigerators

No two scientific or healthcare sites are the same—that's why we offer a variety of sizes for fit-for-purpose NSF 456-certified pharmacy and biomedical glass and solid door refrigerators. Designed to meet the demanding requirements of temperature sensitive products, the TSX Series high-performance refrigerators are NOW IN STOCK in multiple sizes and configurations.

TSX Series refrigerators & freezers are  
Energy Star and ACT certified and  
ready to ship in 5 days

Thermo Scientific™ TSX Series high-performance refrigerators, manual and auto defrost freezers are suitable for storing critical products, like vaccines, that are sensitive to temperature variation. With models certified to the new standard, NSF 456–Vaccine Storage, TSX Series refrigerators, manual and auto-defrost freezers deliver the performance and quality you need, in addition to the quiet operation, low energy usage, and exceptional user experience you deserve.

## Ready to go for 2022!

Our most popular models are in stock, ready to ship.

Thermo Scientific TSX Series high performance refrigerators and freezers are here to support your lab needs with unprecedented sample protection, sustainability, & availability.

- Ideal for today's applications with tight temperature performance and peak variation.
- Energy Star™ ACT™ certified models and NSF456 certified models
- Choice of solid or glass doors for refrigerators
- Choice of manual and auto-defrost freezers
