

PROTECTING PATIENTS STARTS AT GROUND LEVEL

Everyday your shoes cover a lot of ground, collecting particles wherever you go. This is why it's important to don shoe covers prior to entering patient areas.

HALYARD* BASICS* Shoe Cover

- Made of SMS and spunbond material
- Maintains its integrity during use
- Designed for the clinical-use settings
- Easy to don and doff and provides a good fit
- Available in both Universal and X-Large
- Fits most shoe sizes

The HALYARD* Footwear product line features innovative fabrics and styling to deliver the right amount of protection for the task from splash. We have your footwear needs covered.
