

READY TO LEVEL-UP YOUR COLONY COUNTING?

REQUEST FREE SAMPLES OF COMPACTDRY™ TODAY!

How to request a sample:

1. Contact your local Thomas Scientific rep to determine which [Compact Dry plate\(s\)](#) best suits your needs and most closely resembles what you're currently using in your lab.
2. Once you have chosen a preferred plate type(s), please visit [Hardy's Compact Dry Landing Page](#) and click the **Request a sample** button to create a request. Be sure to include your Thomas Scientific rep in the **Comments** section.

We encourage you to contact [Hardy's Technical Services team](#) with any questions relating to these plates. We will be happy to help you!
