

SlimLine™ Mop Adapter

The Micronova **SlimLine™ Mop Adapters** for cleanrooms are the base unit for a range of Micronova flat head mops including: SnapMop™, PocketMop™, FlatMop™, SlimLine™, and PadMop™. The adapters feature a unique 360° swivel joint which allows an easy glide for cleaning flat surfaces and can be locked at 180° for more controlled cleaning of ceilings, walls and surfaces within hoods and chambers. The mop adapters are available with a stainless steel plate or polypropylene plate. The stainless steel mop frame has a polyketone swivel and handle attachment, the polypropylene includes a polypropylene swivel.

- 360° plastic swivel joints provide easy maneuverability
- 180° locked position for more control
- 304 stainless steel plate is electropolished
- Polypropylene plastic plate is lightweight, yet durable

Use with Micronova mops and hardware

- Compatible with SnapMop, PocketMop, FlatMop, SlimLine, and PadMop series of mop covers
